Amtliche Materialprüfungsanstalt
der Freien Hansestadt Bremen*
ein Geschäftsbereich der
Stiftung Institut für Werkstofftechnik Bremen

Attestation
Emission Class E1

Reg.-Nr. Z291-10/13

Hereby the Official Institution for Materials Testing MPA Bremen confirms

to the Manufacturer in the factory

Joint-stock company «UIFK»
ul. Fanernaya, 5
pos. Pontonny
196643 Saint-Petersburg, Russia

that the independent contractual surveillance concerning the formaldehyde release of the

Birch Plywood, Type FK,

class F30/20 E50/30 E1 D-s2, d0

(thickness area 9 to 21 mm)

is being exercised by means of continuous supervision over the factory production control and determination of formaldehyde release of random samples according to the Guidelines 100, 1994, of the German Institute of Construction Technologies. The requirements of the German Chemicals Ban Regulations in force – ChemVerbotsV – Supplement to § 1, art. 3 – are so far fulfilled.

The described product fulfills the requirements of the emission class E1.

This attestation is valid till the next continuous surveillance inspection of the factory production control or till June 30, 2014.

Bremen, 30 December 2013

(Dipl.-Ing. Axel Meyer
Chief of authorised Certification Body of MPA Bremen)
